MEASURING ON FRIDAY

7:30 am by the Registration area. If you are arriving later Friday for the Steeplechase and/or need measuring for Regionals, please let Registration people know that you need a measurement. Please do not leave it to the last moment as our judges will be very busy.

Regional Opening Ceremonies

Please join us for opening ceremonies after Steeplechase rings are closed to sing the national anthem and have a land acknowledgement. We will introduce your judges and ring assignments. Bring a beverage and catch up with fellow competitors you haven't seen since last regionals.

We hope to start this at 4:30pm so course building teams can get the courses built and have time to relax as well.
